LIFE. Back to School for Adults

LIFE (Learning is Forever) is a membership-based organization of retired adult learners providing an opportunity to share learning experiences and discover new joys. It is hosted by UW-Stevens Point Continuing Education.

Designed to meet your needs and interests, the LIFE program

provides new learning opportunities on a variety of topics in an array of formats, including peer teaching and learning, lectures by visiting experts, music and theater events and also field trips for an

additional fee.

What does life offer? Because members are the heart of the LIFE program, courses are developed based on member interests. Some meet weekly for 3-5 weeks while others meet only once or twice.

Courses are offered during only 2 sessions, either Summer/Fall and Winter/Spring.

The cost is only \$60 for a whole year and you can take as many courses as you wish. Isn't that grand? If you would like more info you can go to their website at: www.uwsp.edu/conted/LIFE or call: 715 346 3838.

Here is a sampling of classes: The Dead Sea Scrolls, Diplomacy in a Changing World, Environmental Ethics, Exploring Art, Fall Colors Hike at Tree-

haven, Great American Standard Songs: What Made Them Great? Religion in America, Preventing Fraud and ID Theft, Socrates Café, Reading a Play, The Magic of Chemistry, Awakening the Gifts Within, and Films of Italy- to name just a few.

Learning is not compulsory...neither is survival.

Football Finally Makes Sense

Football finally makes sense. A guy took his blonde girlfriend to her first football game. They had great seats right behind their team's bench. After the game, he asked her how she liked the experience.

"Oh, I really liked it," she replied, "especially the tight pants and all the big muscles, but I just couldn't understand

why they were killing each other over 25 cents."

Dumbfounded, her date asked, "what do you mean?"

"Well, they flipped a coin. One team got it, and then for the rest of the game, all they kept screaming was, 'get the quarter back! Get the quarter back!' I'm like, Helloo-? It's only 25 cents!"

Thanks to the internet,
you can get
hopelessly in debt
without ever leaving
your house.

Generous Boyfriend

A teenager brings her new boyfriend home to meet her parents. They're appalled by his haircut, his tattoos, and his piercings.

Later, the girls' mom says, "Dear, he doesn't seem to be a very nice boy."

"Oh, please Mom!" says the daughter. "If he wasn't nice, would he be doing 500 hours of community service"?"
